## June Highlights

### OT Team Professional Development

This month, our Occupational Therapy team attended a DIR Floortime professional development session. This developmental, relationship-based approach helps us connect with children through their interests and emotions—further strengthening the quality of care we provide.

### School Readiness Group – Term 2 Wrap-Up

Our School Readiness group is about to finish up for Term 2! If you're thinking about preparing your child for a confident start to school, it's not too late to register for Term 3.

### Term 3 of our School Readiness Group begins on 25<sup>th</sup> July

Chat with our friendly admin team to pop your child's name down if your child is heading to school in 2026 or 2027 and could use a boost with their pre-academic skills!

## FEE UPDATE

From Monday 30th June, there will be a small fee increase.

Our new standard consultation rate will be: \$259 for a 1-hour consultation

**We remain committed to providing exceptional therapy services and thank you for your continued support.**

## COMING UP IN JULY

### School Holidays

The holidays are almost here! We understand it's a busy time, but consistent attendance is key to keeping therapy progress on track. If you're heading away, let us know as soon as possible so we can plan ahead together.

### Intensive Sessions Available

Looking to give your child an extra boost during the break? Ask us about our intensive programs—a great way to build momentum and fast-track progress in a short time.

### Winter Woolies Week

Coming these school holidays: Winter Woolies Week! A fun-filled week of themed therapy activities—wear your snuggliest scarves, cosiest jumpers, and fluffiest socks. We can't wait to see our little clients all rugged up!

## WINTER WELLNESS ❄️

Winter is here—and with it, flu season is well and truly in full swing! Just a friendly reminder: Our cancellation policy requires 48 business hours' notice to avoid fees.

Not feeling well? We offer online therapy sessions as an alternative so your child doesn't miss out. Our team is working hard to maintain a safe, clean environment for all our families. We:

- Disinfect all resources between sessions
- Regularly clean communal spaces
- Follow strict hygiene protocols to keep those nasty winter bugs at bay

Thank you for helping us keep our community safe and healthy!

## 🤝 REFER A FRIEND & SAVE!

Did you know we offer a Refer a Friend program?

If you refer someone to Chatterbox and they book an assessment, you'll receive a half-price session as a thank-you from us!!

## 👤 WE'RE GROWING!

We're excited to be expanding our Chatterbox team!

If you're passionate about working in paediatric speech or occupational therapy—or know someone who is—send your resume to:

✉️ [careers@chatterbox.com.au](mailto:careers@chatterbox.com.au)

## ★ WE'D LOVE TO HEAR FROM YOU!

We would love to hear that your child is enjoying their time with us at Chatterbox and we'd be so grateful if you could leave us a Google review. Your kind words help other families discover the support their child might need—and help our local, family-owned clinics grow.
